FINANCIAL DECLARATION

Hebrew College is required by U.S. government regulations to check the availability of adequate funding for your tuition, fees and living expenses for the duration of your studies at Hebrew College. We will be unable to provide you with the documents necessary to obtain your visa without verification of adequate funding.

All financial documents submitted for evaluation will become the property of Hebrew College and will not be returned to the applicant. (Please refer to the accompanying Estimate of Expenses Sheet for the breakdown of fees and for the minimum required per annum.)

All sources of support which you submit must be:

1. Originals, not photocopies.
2. Shown in U.S. dollars.
3. For Hebrew College specifically, and no other college or university.
4. No more than one year old.
5. Written in English.

Please check the box below which describes the type of funding you will be receiving and attach the appropriate official documentation as outlined below. Indicate the period of time for which the support will be provided.

- If you will be funded by your parents or a relative, please submit:**
1. A legalized letter of sponsorship which indicates that your sponsor (parents, uncle, aunt, brother or sister) is willing and able to support you financially for your academic fees and living expenses throughout the duration of your studies at Hebrew College.
 2. An official bank statement or credit reference from a bank, stating the availability of the minimum estimated expenses (as indicated on the Estimate of Expenses sheet).
- If you will be funded by your government, an organization, a company, etc., the sponsor must submit an official letter of sponsorship which states:**
1. That your funding is valid for Hebrew College specifically.
 2. Which expenses will be covered. For example: academic fees, living expenses (give amount), health insurance, financial support for family members, travel costs, etc.
 3. The length of time of the support.
- If you will be funded by a bank loan, you must submit an official letter of certification from the lending institution.**
- If you will be funded by a salary or study-leave allowance, you must submit an official letter from your employer validating this information.**
- If you will be funded in a manner not listed above (for example, if you will fund yourself), you must submit official documentation (a bank statement or a credit reference from a bank) from the source of sponsorship, clearly stating the amount of financial support to be provided and the length of time for which it will be available.**

IMPORTANT NOTE: If you cannot initially show that you have sufficient funds to meet the minimum funding requirements to bring your spouse and/or child(ren) into the United States, note the following Hebrew College policy: Under these circumstances, it is our policy not to issue visa documents for family members until the international student has been in the United States for a minimum of three months. At that time, we will only issue visa documents if the student provides us with a budget and three months of bank statements from a U.S. bank, showing accrued savings to meet the minimum funding requirements necessary to support dependents for their intended period of stay in the United States.
